

## Times Square Big Screen T.V. 2007 (Heckeler/Watts)

Message  
as repetition  
Heroes hooked on television

We find it  
in their flesh  
Disappointed with the rest

Nothing found  
nothing returned  
Products of ridicule and scorn

*Faceless actors  
pen names  
Facing the blame won't ease their pain*

*Rearranging the same's the same  
Changing the station is not a change*

Modern martyr...  
...chasing a  
dressing room cause

Warriors...  
facing the misguided  
protest of applause

Nationland...  
...witness to a  
civilization's fall

*Faceless actors  
pen names  
Placing the blame won't ease their pain*

*Rearranging the same's the same  
Changing the station is not a change [4x]*

For a limited time  
It fills in all the holes  
For only 19.99

You must see  
All this must see TV  
'Cause if you miss out  
You're missing all the scenes

It's not just you  
New kid to chopping block  
Better get in line  
And lose yourself in hock

Refresh it  
Your clicks are getting old  
Just because you're looking  
Doesn't mean they're sold

Facing actors  
And those with no names  
We all look at each other  
As we're placing all the blame

Ease up now  
It's all just the same  
Rearranging stations  
It's simply  
not a...
